

Health and Safety

Guildford Craft Club is committed to providing safe and well-managed learning environments for children.

We take practical steps to ensure every class is delivered safely and responsibly.

Across our classes:

Risk assessments are carried out for all sites and craft activities

Children are always supervised

Clear sign-in and sign-out procedures are followed

Age-appropriate materials and equipment are used

First aid provision is in place at all sessions

At least one fully trained first aider in the classroom at all times

Emergency and fire procedures are followed at every venue

If you have any specific health or medical information you would like us to be aware of, please share this at the time of booking by emailing us at
